

DIGIMEDIA Monomeric Permanent Matte Adhesive Vinyl

DIGIMEDIA Monomeric Permanent Matte Adhesive Vinyl is a 3.2-mil matte white, soft-calendared PVC film optimized for latex, UV and solvent/eco-solvent based inks. This bright white film has a clear, permanent, acrylic pressure-sensitive adhesive and a 78# Clay Coated Kraft liner. This vinyl is perfect for general indoor and short-term outdoor advertising and promotional graphics for flat or slightly curved surfaces.

Substrate
